COMPACT SQUARE BALER

M60 SUPER COMPACT BALER

The Sitrex M60 Super Compact Square Baler is ideal for getting big time hay production from your compact tractor. Sitrex Mini Balers can produce up to 400 bales per hour and you only need a 20 plus horsepower tractor to operate them. Suitable for smaller acreage operations or for those who desire a smaller lightweight compact bale. Quality Italian manufacturing ensures reliable service and maximum durability to provide many years of service.
