

RANKIN

Trailer Post Pounder

ID SERIES

A powerful 14hp commercial Kohler engine powers a hydraulic operated mast with a 750 lb. hammer. Sixteen inches of travel ensure accurate post placement and can drive a 12" diameter post up to 12' long. A simple joystick operation and large post bin lets you work quickly.

FEATURES:

- Tilt (Left or Right) 30°
- Tilt (Front/Back) 27°
- Hammer Weight 750 lbs
- Total Mast Stroke 67"
- 14HP Kohler
- Tires ST225 / 75R15
